

Application for Water Connection

I hereby apply to the City of Monticello for permission to connect my premises at:

_____.

with the City’s water system and hereby agree as follows:

1. The City shall make the requested connection to its water main, and install the appropriate meter. I agree to pay the City the connection charges and fees as may be fixed by the governing body, by resolution or ordinance.
2. The work of extending the water connection from the point to which the City installs it to the place at which the water is to be used shall be my responsibility and shall be performed at my sole cost.
3. The connection so made by the City, including the meter and service line, shall become and remain the property of the City at all times, and the City shall have access thereto at all times.
4. The location of the meter, whether on my premises or at some point near my premises, may be decided solely by the City.
5. Before making connection with the water system, I shall cause the plumbing upon my premises and the service line connecting thereto to be inspected by the City and if the plumbing is not approved, I will cause the plumbing to be rectified at my own expense to meet the requirements of the City or any other governmental agency having jurisdiction to regulate the water system with the City.
6. I agree to provide proof of my ownership of the property to which culinary water services are proposed to be connected.
7. I will be bound by the rules, regulations, resolutions, or ordinances enacted now or hereafter by the City.
8. The purpose for which the water connection will be used is: _____
9. The City shall have free access to the lines and meter installed under this agreement and, at reasonable times, through my property if necessary.
