B. Written procedures for election officials to use the master ballot position list.

In accordance with Utah Code Section 20A-6-305, election officers shall use the master ballot position list for 2024-2025 to determine the order in which to list candidates on the ballot for any election held during those years.

To determine the order in which to list candidates on the ballot, the election officer shall apply the randomized alphabet as so:

- The candidate's surnames as listed on the declaration of candidacy
- If two or more candidates have surnames that begin with the same letter, the list shall be applied to each subsequent letter in the candidates' surnames as listed on the declaration of candidacy
- If two or more candidates have an identical surname as listed on the declaration of candidacy, the list shall be applied to the candidates' given (first) names as listed on the declaration of candidacy

C. Written procedures for the Lieutenant Governor in conducting the randomization in a fair manner and record of the random selection process used.

The Office of the Lieutenant Governor will conduct the randomization process by drawing wooden letter tiles from an opaque bag and following these procedures:

1. A wooden tile with each letter of the alphabet printed is to be placed in an opaque bag
2. Three individuals are to be selected to draw tiles out of the bag
3. The order the individuals draw tiles out of the bag is selected at random by rolling the die
4. The person rolling the highest number on the die picks first, the second highest roller picks second, and the lowest roller picks third
5. Ties are broken by rolling the die until one of the individuals in the tie rolls a number that is higher than the other person they are tied with
6. Letters are pulled out of the opaque bag until all tiles are removed
7. The order the tiles were picked from the bag became the Master Ballot Position List

The randomization was done on Tuesday, January 9, 2024, at 10:00 am in the rotunda of the Utah State Capitol. Notice of the meeting was published on the Public Notice Website and broadcast live on Zoom. A recording of the meeting can be found on the www.vote.utah.gov website.

Submitting Your Candidate Profile

The Lieutenant Governor's Office provides candidates with the opportunity to submit a candidate profile for the website VOTE.UTAH.GOV. Your profile includes biographical information, a picture, and a short statement. Submitting a candidate profile is optional.

Candidates are responsible for submitting their profile by the deadline. Deadlines are established by law (see Utah Code 20A-7-801(4)). As a result, late submissions cannot be accepted. Due to the volume of profiles being submitted, edits after submission cannot be accommodated.

This year, candidates will receive an email link to complete their bio (from elections@utah.gov). **These links will be sent to the email provided on the candidate's filing form.** Please check your spam folder if the link is not in your inbox.

If you do submit a profile for the Primary Election, and then make it to the General Election, you will need to resubmit a new profile for the Election, due to state law. Your Primary Election profile will NOT carry over to the General Election.

How Do I Submit My Profile?

1. After being sent the link, follow the instructions to submit your profile. **Please read and review the information on the page carefully.**
2. After reading the page, select "Submit Candidate Information." Complete the form and submit it.
3. Click the link and complete the form. Once the submission deadline has ended, our office will review the submissions and notify candidates if their profiles require correction. This process typically takes a few weeks to complete.
4. After the review period is over and before ballots are sent, our office will post the profiles on VOTE.UTAH.GOV under the "Learn About Candidates and Issues" tab.

THEREFORE:

I SHALL conduct my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing, without fear or favor, the record and policies of my opponents that I believe merit criticism.

I SHALL NOT use, nor shall I permit the use of, scurrilous attacks on any candidate or the candidate's immediate family. I shall not participate in, nor shall I permit the use of, defamation, libel, or slander against any candidate or the candidate's immediate family. I shall not participate in, nor shall I permit the use of, any other criticism of any candidate or the candidate's immediate family that I do not believe to be truthful, provable, and relevant to my campaign.

I SHALL NOT use, nor shall I permit the use of, any practice that tends to corrupt or undermine our American system of free elections, or that hinders or prevents the free expression of the will of the voters, including practices intended to hinder or prevent any eligible person from registering to vote or voting.

I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees or volunteers.

I SHALL immediately and publicly repudiate support deriving from any individual or group which resorts, on behalf of my candidacy or in opposition to that of an opponent, to methods in violation of the letter or spirit of this pledge. I shall accept responsibility to take firm action against any subordinate who violates any provision of this pledge or the laws governing elections.

I SHALL defend and uphold the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of Utah, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices."

Municipal Candidate Filing INFO & CHECKLIST

Todd

Code is very specific on the responsibilities of a filing officer at the time the candidate files for office. The following is a checklist of things that must be completed at the time of filing, by the filing officer, with the candidate present. ([20A-9-201](#))

Important: Require the candidate to state that they understand the requirements. It is recommended that the filing clerk immediately verifies the voter registration status with the county clerk's office. It is easier to resolve these issues while the candidate is still present. Document this verification.

CHECKLIST	
Read the statutory requirements for the office that the candidate is seeking.	
Inform the candidate that an individual who holds a municipal elected office, may not, simultaneously, hold a county elected office.	
Inform the candidate that the candidate's name will appear on the ballot as written on the declaration of candidacy.	
Provide the candidate with a copy of the current campaign finance disclosure laws for the office that the candidate is filing, and that failure to meet the deadlines will result in removal of the candidate's name from the ballot.	
Provide the candidate with a copy of 20A-7-801 regarding the Statewide Electronic Voter Information Website Program and inform the candidate of the deadlines to submit their candidate profile. The LGO's office will provide each municipal office with an information sheet that satisfies this requirement. This sheet must be given to each candidate.	
Make sure candidates completed and/or updated their conflict of interest disclosure statement.	
Provide the candidate with a copy of the pledge of fair campaign practices and inform the candidate that signing is voluntary, but if it is signed, it will be filed with the filing officer.	
Ensure that the candidate is aware that no changes to the filing forms may be made after the close of the filing period.	
Notify the candidate that state law allows candidates to make some of their information private. An optional form may be provided to the candidate to list private contact information solely for office use, or the filing officer may simply redact the public copy of the filing form. NOTE: information that was chosen to be made private should be protected by your office and only used for official election purposes. It should never be disclosed outside of that use. It may be necessary to share private addresses with the county clerk's office to verify voter registration status.	
Pay the filing fee <i>if it is required</i> by the municipality.	
Accept the filing forms if the candidate appears to meet the requirements.	

OTHER RESPONSIBILITIES OF THE FILING OFFICER:

CHECKLIST	
The filing officer must scan over all candidate declaration forms to the county clerk's office. The county clerk will verify that the candidate is registered to vote at the address reflected on the declaration forms. The county clerk will also enter the candidate information into the Statewide voter registration database. This will ensure that the candidate's name appears on vote.utah.gov .	✓
Post all candidate information on your jurisdiction's website (20A-9-203.5). Ensure that any information that the candidate requested to make private is redacted.	
Work with the county clerk to verify that the names on the local website match the names that were entered into the state voter registration system by VISTA.	

IMPORTANT: Even if your office is not contracting with a county clerk's office to administer the election, you must have their office verify the voter registration status and enter the information into the state database.

IMPORTANT: If your municipality has open seats for a 2 year term, as well as a 4 year term available, ensure that the candidate has indicated which term they are seeking. If the declaration fails to indicate which term length, the clerk must consider the nomination to be for the 4 year term ([20A-9-203\(6\)](#)).
